Looks good. Since the context is the Agency, not the Region, it's "make," not "request."

Mr. Blumenfeld,

My name is Bonnie Eslinger and I am a reporter for the Daily News in San Mateo County. I am writing a story for tomorrow's paper about the Redwood City Saltworks development and your last-minute request to place the determination of the geographic scope of the Clean Water Act jurisdiction for the project on the Region 9 Special Case List so the EPA can make the final jurisdictional determination. I would like to speak to you today to get clarity on why you made this request just prior to slated release of the Army Corps of Engineers' final jurisdictional determination and why the EPA wasn't involved in this decision at earlier stages.

Can we set up a phone interview today before 6 p.m.?

Thank you for your time.

Best,

Bonnie
